- Small Vessel Disease
- Intracranial Haemorrhage
- Subarachnoid haemorrhage
- Venous thrombosis
- Other stroke mechanisms
- Neuroimaging
- Nursing
- Rehabilitation
- Prognosis
- Stroke Services Delivery / Telemedicine
- Vascular Cognitive Impairment
- Complementary Treatment
- Case reports
- Other
- Late Breaking News

Abstract Guidelines
- All submissions (with the exception of the Chinese Stream) must be submitted in English. Please ensure you thoroughly check your submission for spelling and grammatical errors as accepted abstracts will be printed as per your submission.
- Submissions submitted under the Chinese Stream must be submitted in Mandarin.
- Abstracts are to be no more than 300 words and are to be structured in the following sections:
  1. Background and Aim
  2. Methods
  3. Results
  4. Conclusion
- References, author and affiliation information and abstract titles are not included in the word count.
- Abstracts must not contain bullet points, pictures, charts, diagrams or tables. Please ensure any acronyms are spelt out in the first instance.
- Abstracts must be submitted in Arial font, size 10.
- Ensure that all author information (names, affiliations and presenting author biography) is included and entered correctly.
- Presenters will be notified of acceptance in August 2017 and will need to confirm their attendance and registration within two weeks of receiving the notification.
- Presenting authors are required to register for the conference. No funding is provided to presenters. Any presenters not registered for the conference by the earlybird registration deadline will not have their abstract included in the program.

Abstracts must be submitted via the online abstract submission portal by no later than midnight, AEST Friday 28 July 2017.

The submitting author must ensure that all co-authors have read and approved the abstract title, text, author names and affiliations.

More information regarding abstract submission can be found at apsc2017.org.
